

EXHIBIT 2

Your Honor and ladies and gentlemen of the court:

My daughter was raped and sexually abused in so many horrible ways, as a child, by [REDACTED]
[REDACTED] He also videotaped her abuse, as he ravaged, raped, and pillaged her 10 year old body. This sick man shared these repulsive pictures and videos of her on the internet for perverts like himself, to see. The sexual abuse she suffered at the hands of [REDACTED], without a doubt, started her agonizing pain, but this is certainly not where her pain ends, or mine. Yes, the memories and trauma of her abuse still haunt her, and our family, but, now, there is a new abuser. The new abusers are the sick individuals who download her pictures, and enjoy watching her being sexually assaulted as a child. This sickens me! Every time these pictures of my daughter are looked at and passed around, the depraved people doing this are furthering my daughter's pain, shame and abuse. They pass it around like some dirty magazine, when in fact it's the footage of an abused, helpless child. There are days when the pain from this is unbearable for me. These vile people increase her pain, and mine. These are certainly not the hopes and dreams I had for my little girl; this life of pain and shame. It is so terribly sad and painful, to watch her struggle with this. These awful people are raping my little girl all over again, by cruelly enjoying her pain and deriving some sick sexual pleasure out of it. The knowledge of this sends me into mourning; mourning the loss of my child's dignity and well being, and mourning the fact that she suffers such deep pain. I have watched her suffer so much already and it kills me. I have to watch her suffer still, at the hands of people wanting to view the nightmare of her abuse, as her innocence was being robbed. She was a child and helpless, and made to do disgusting things she did not want to do.

Approval from [REDACTED] came only when she carried out his every dirty command. He posed her, insisted she say certain things, and made her force a smile as he was brutalizing her. When I think of my daughter being groomed and posed and make to feel so dirty in these perverted, and depraved pictures, and videos, it hurts me to the core. I wonder how there can be people that could actually enjoy watching my little girl getting raped, and sexually abused. I wish they knew how much it hurts, and how much they are worsening our pain. Knowing that these disturbing videos of her and her abuser are being viewed, and are continuing to foster this corrupt sexual behavior, bring a lot of pain, stress and shame to her. At the cost of her dignity, modesty, and innocence, people viewing those images of her, are furthering the terrible addiction of child pornography for themselves and others they pass it on to. Those images are not who my daughter is, or ever wanted to be, but because she was robbed of her innocence, forced to do ugly things, and it was videotaped, she is continually being viewed as someone she is not. She is in fact the opposite. These offenders are still victimizing and torturing her, bringing pain and shame every time they look at those images of her. As her mother, I share in this heartbreak pain and the sadness this brings to me is unending. These viewers need to understand that there is a helpless little girl on the other side of these videos, whose innocence and childhood were shattered and viewing these things make them a part of the abuse, and unimaginable pain my daughter, and our family have to face all the time. Making viewing, and downloading child pornography is wrong and a crime. I hope everyone can know that child pornography is not a victimless crime by the statement I've shared with you about my daughter, and our family's constant pain and struggle.

Update 10/01/2010

Now as a young adult, my daughter's life is still very hard and she still struggles so much, due to her sexual abuse and it being constantly viewed. I also struggle. It is so devastating to know your child's life has been brutalized, and to make matters worse, it has been released to the public for any deviant, at the press of a button, to view and continue this sickening process of enjoying my daughter's pain.

Although, she is making progress and growing stronger, this still has a major grip on her life, as it also does on mine. She has never had a boyfriend, due to trust issues and fear of relationships. She does very well in college and is trying to open herself up more to her friends, and fellow students. This is going to be a continuing process. She feels like she is marked with a scarlet letter because of her victimization and rape, marking her with shame. The pornographic images of her are out there continually being viewed, and will continue to be forever.

If I could quote my daughter in something she often says in describing how she feels about these people downloading her images....If you can imagine having a bad picture of yourself taken, one that you're really embarrassed aboutnow picture yourself naked, being raped and abused and hurt at the age of nine or ten....your pictures of abuse at the hands of someone else are now being viewed for anyone to see at the touch of a button on a computer.....these viewers are even interacting with your images of abuse. That is how she feels everyday.....wondering who is going to see her next.

As I write this impact statement I find myself drained because of the emotional strain and pain that comes from reliving this horrible ongoing crime that terribly affects me and my family. It's a huge sorrow every day of my life, and my daughter's life, knowing her images of abuse are being traded, viewed, and interacted with, by sick people using her nine year old body as a sexual thrill. To know these perverted people want to partake in, and are excited about the horror of your child's little body being raped over and over again makes me sick! These viewers know she is a child. They can very clearly see that. It makes no difference to them. They're the reason my daughter and our family have to keep reliving this horror of her abuse because they keep it going. They keep viewing it and passing it on to others. She didn't have a choice....they do!! Their choice is traumatizing my daughter and exploiting the broken pieces of her life. These viewers made the choice to descend to the lowest degree and rape her with their eyes , and with their minds, as she was being robbed of her innocence at 9 years old. I feel robbed every time I get notified of another case involving my daughter's images. I feel like some part of her is being taken and used and abused every time I hear of another perpetrator. Can you imagine how hard it is for her to regain her self esteem, dignity, and well being? It confuses me that some people in powerful positions can believe this is a victimless crime.....not only is our daughter a victim, but our family is also.

As her mother, the sadness of what has happened to her and what is still happening to her is unending. They say time is a healer of all wounds, but I have yet to feel this pain subside.

Child pornography is a crime and those viewing it are committing a crime that always hurt the child or children who are involved. It is destructive in every way to the viewer as well. This crime needs to have severe consequences because of the devastating pain, fear, and shame it causes children. This pain

does not end for the child or their families, but continues on for the rest of their lives. I wish I could take away my daughter's pain and give her back what has been stolen from her. I cannot, but I am asking for accountability from the individuals who have hurt her and are continuing to hurt her. For my daughter and countless others who are victims of such a terrible and painful crime; please grant us justice today!

To whom it may concern,

My family has endured five years, to date, of a living hell because of the selfish, perverted actions of a very sick and evil individual. My daughter lived with this pain and trauma for six years prior, unable to tell anyone because of the fear she had for ██████████. We thought we were dealing with one "bad apple", but as time goes by we are finding that there are more and more of these sick individuals that are viewing, and sickly satisfying their awful desires.

We still have the haunting memories of the letters in the mail, and emails letting us know of all the individuals that are being prosecuted because they have our daughter's images, child pornographic images, on their computer. We don't receive the notices anymore, the pain and gut wrenching reminder of receiving enough notices to over flow a 55 gallon drum is more than my family can take. It's also unfathomable to know there are so many perverts in this country and around the world. It sickens me and hurts me to the core knowing that so many perverts are viewing my little daughter as she was made to dress up like a hooker, and is molested and raped time and time again. I am heartbroken knowing that I couldn't protect my daughter. The letters and emails brought that pain up again and again and I couldn't deal with that, knowing her innocence has been torn away and now how she is continually reminded that her pictures will be there forever! This father's heart is broken.

My daughter carries her shame like a scarlet letter. She knows that if a friend or acquaintance looks her up on the internet they are going to find the ugly, horrible, awful history that eats away at her self-esteem and paralyzes or inhibits her ability to function at school and as a normal young adult. She knows that this is the challenge that she has to live with, but the horrible trauma continues to take its toll on her body and soul. The constant reminder that her pictures are out there brings forward the guilt and shame, which cause nightmares and makes her want to isolate herself from others. Each time she hears about these cases she looks so strong on the outside, but when you sit and talk with her you see the pain, you hear the struggles and feel the sadness, despair and the emotional drain that it causes.

My family is asking for Justice with each case that is brought forward with these perverted individuals. We are hoping and praying that they can understand how wrong they are and how hurtful their actions are for each victim in the pictures and videos on their computers. We want them to know that they have a choice to decide to view the images, or not, and because they have chosen to view these child pornographic images they are victimizing each child viewed... bring back the pain and suffering these children have already had to endure. Our Justice System needs to protect these children from the preying eyes and hands of these perverts, because they can't fight back, or don't know how to. Our Justice System needs to understand that there is a victim in each of these images, and each time a picture is downloaded these children are victimized again and again. Please help these perverted individuals understand the significance of what they are doing and how each child is a victim because each child has done nothing wrong.

My daughter is the strongest person that I know and I am so proud of her. It is extremely sad to see how this horrible situation continues to beat her down emotionally and physically. She still has trouble sleeping due to nightmares of the horrible trauma she went through, and also of new people finding out

who she is, or unknown people finding her and abusing her. She also has severe stomach aches and headaches that incapacitate her, causing her to miss school and work. I pray that she can heal from the trauma that her [REDACTED] did to her and from the constant reminders that each of these sick individuals bring with each download. I also pray for the rest of my family. The crimes against my daughter have had untold effects on our other children, my wife and myself. This "living hell" that I first mentioned is a day-to-day ordeal that can raise its ugly head at the most inopportune times. Like my daughter, we are sometimes paralyzed by the trauma that comes from being the parents of a sexually abused child. The sad fact is this doesn't end, because my daughter's images will be out on the internet forever, continually reminding her and us of how fragile we all are. The internet is such a powerful tool, but child pornography, and how it perpetuates the re-victimization of children is an extreme consequence to our society as a whole, but specifically to our vulnerable children.

Our society views our children as precious little gifts that we should love and protect. Some sick, perverted individuals use the internet as their evil play ground to share and use in their sick, fantasy world. They choose to do this. They choose to push the buttons. They make a decision to download and view. Actions sometimes have consequences, and when actions like this happen the consequences should be powerful and lasting. Give my daughter her justice, so that she may completely heal some day.

Respectfully,

[REDACTED]
